POLICY FOR LIBRARY USERS

Jesmond library welcomes all members of the community. We want to make the library a place where everyone can come and feel safe while choosing books, using the computers, engaging in activities or reading the papers and having a coffee.

The library is a community service independent of the City Council; it is run wholly by volunteers who give their time to keep it functioning. All our volunteers have been trained in the procedures and policies adopted by the library and are expected to act towards you with courtesy and respect. They all wear volunteer badges so that they can be readily identified. We likewise expect you to treat our volunteers and other users of the library with courtesy and respect. Refusal to comply with these rules may lead to expulsion from the library and a revocation of membership.

Accordingly, we need to set out some rules for library user:

- No animals except guide dogs are permitted in the library
- No bicycles, skate boards, scooters or roller skates are permitted in the library
- No smoking is permitted in the library or the area immediately outside the doors
- No drugs or alcohol may be brought into the library
- No shouting is permitted in the library
- Please keep drinks and food in the refreshment area so that the library furnishings are not spoiled
- All children under the age of 10 must always be accompanied by an adult
- Please always consider other users of the library (for example by keeping mobiles on silent and taking calls in the lobby).

If you have any complaints about the way in which a volunteer has treated you, you should contact the Volunteer Coordinator via email using volunteers@jesmondlibrary.org

If you would like to get more involved in the work of the library and perhaps become a volunteer yourself, please speak to one of our volunteers who will give you an application form explaining what you need to do.
